University of Alaska Topics for meeting with Alaska State Board of Education

SHOULD we align graduation standards with entrance requirements for college courses and programs?

If so, how?

SHOULD we collaborate on creating a seamless educational pipeline that begins in grade school and culminates in post-secondary completion?

If so, how?

SHOULD we better align our political capital to help further the education agenda for the state of Alaska?

If so, how?

DO WE NEED to create a post-secondary culture in the state of Alaska in order to meet the projected attainment needs of the state?

If so, how?
