Part A- Student Application, Background & Check List

## LTER / EPSCoR HSSRIP 2009 Student Application

May 26 - July 9, 2009

**Application Deadline: Received in HSSRIP office no later than 1 April, 2009**

### MISSION STATEMENT

The University of Alaska Fairbanks (UAF) Long Term Ecological Research program (LTER) and the Experimental Program to Stimulate Competitive Research (EPSCoR) established the High School Summer Research Internship Program to prepare rural and Alaska Native high school students for academic excellence and college success. Internships are held in conjunction with the UAF Rural Alaska Honors Institute (RAHI), a summer program for Alaska rural honors students.

### OVERVIEW

The Summer Research Internship Program is designed to give Alaskan students an opportunity to work on a science research project under the guidance of a university scientist (professor and/ or graduate student). Research may consist of field and laboratory work and activities include collecting, inputting, analyzing, and summarizing data, and presenting findings at the end of the six week period. Students can earn up to three UAF credits. **Punctuality and commitment to work (even at tedious tasks) are two very important requirements for this internship. Please only apply if you are confident that you can meet these obligations.**

### CAMPUS LIFE

**Housing** - Students live in a UAF residence hall with a RAHI or HSSRP roommate and full-time residence staff who supervise, tutor, and give support to students to live comfortably and to work efficiently. Students are divided into family groups of roughly eight each.

**Recreation** - Recreational offerings on weekends are available. A fun, stress relieving weekend outing occurs in June. The Student Recreation Center, Wood Student Center, and Patty Pool are among campus or recreational facilities available for use.

**Meals** - Students eat at the campus dining facility. Brown bag lunches will be prepared for the mid-day meal.

**Permission to Leave Campus** - Students may be checked out to leave the campus only with adults approved in writing in advance by parents or guardians and only at times that do not conflict with work schedules. Students may not be checked out overnight or weekends.

**Costs of Attending HSSRIP** - Selected students are sponsored by the program with a scholarship that covers all costs for the entire program, including travel and a stipend.

**Work** - Students will work closely with their mentor-researcher during a 40 hour work week (Monday – Friday), no more than 8 hours per day, and will be paid a stipend at or slightly above minimum wage (\$7.15 / hr).

### SELECTION OF STUDENTS

If you are committed to earning a college degree, you should apply. The HSSRIP selection committee reads each application and ranks it, then makes a recommendation to the HSSRIP office. HSSRIP will notify all applicants by mid-May. Not everyone is accepted. Alternate summer plans include Upward Bound Math/Science, or Upward Bound Classic, U-Doc/Della Keats, Raven's Quest, Alaska Science Research Academy (ASRA), or other programs.

### START-UP

*“Challenge yourself!”*

UAF LTER / EPSCoR High School Summer Research Internship Program (HSSRIP)

Travel to Fairbanks is May 26 and orientation is May 27. First day of work is May 28. Students may not start internships late or leave early. No late starts! No early departures! Your stipend is paid based on the hours you work so if you quit before completion you will not earn a stipend for the remainder of days left in the six week work contract and you will not earn the college credits you signed up for.

**RULES**

Responsibility to self and to each other, plus university and state law all combine to shape HSSRIP rules of conduct outlined in a student contract. Safety, comfort, and the need to ensure an atmosphere that supports learning are all objectives of this policy. Students are expected to be prepared and on time, and participate in program social events. Students respect each other, mentors, and residence staff, as well as property.

**STAFF**

Research mentors are typically UAF professors and/ or their graduate students. All staff are available for individual help. RAHI/ HSSRIP residence staff are made up of adults, including some upper class college students, who live with students during RAHI/ HSSRIP. A program director, academic coordinator, residence hall director, and program assistant provide overall program supervision and support. All staff are here to help the students be successful at HSSRIP.

**COST**

All program costs including travel, room, board, and stipend are provided by HSSRIP and **free to students accepted into the program.**

**DEADLINE**

Give parts “B”, “C” and “D” of this application to the appropriate persons to complete their parts. Complete and fax or e-mail this application so it is received in the HSSRIP office no later than 1 April, 2009. **It is your responsibility to have all the parts of the application received by HSSRIP by that deadline.** Faxing before the deadline is preferred and more reliable. You must check back with those persons making recommendations, your teacher, counselor and a community person, to ask if they have sent their parts to us on time. Make certain your school sends us your transcript and test scores. Applications are kept confidential and are only seen by the readers on the committee and by HSSRIP staff. Call us at 907-474-2794 or 907-474-7699 or email [fnmrk@uaf.edu](mailto:fnmrk@uaf.edu) or [ffebs@uaf.edu](mailto:ffebs@uaf.edu) if you need help or have any questions.

Use this checklist in preparing your application.

- Part A, Application** - Fill out completely, leave nothing blank, send to us on time.  
**Part A, Essay** – An essay is required. A few sentences do not make an essay – 300 words please, and no help allowed from anyone in writing your essay!
- Part B, School Assessment** - Give one copy to your counselor or principal and one copy to a teacher who knows you and your work. Be sure they complete and fax/ e-mail their part to us on time.
- Part C, Community Recommendation** - Give this to someone in your community who knows you well. Be sure they fill out and send it to us on time.

Part A, Student Application  
(page 3 of 3)

**REQUIRED ESSAY**

A formal, typed essay is required (300 OR MORE WORDS). No teacher, counselor, or anyone else may help you. Follow the directions exactly. Do not write only a few sentences, or only a brief statement. The essay is a major part of your application and will count heavily in the final selection. Attach your typed essay on a separate sheet. You must put your name on each sheet.

**At HSSRIP/ RAHI you live with 40 other rural and Alaska Native students in a fast-paced, highly structured environment. You will be doing research work under the guidance of a scientist mentor.**

**Explain**

- a. **What strengths would you bring to HSSRIP?**
- b. **What do you hope to gain from this experience?**

**Include your thoughts on academic interests and personal perspectives.**

Include the typed essay with your application. You may use a dictionary, grammar text, and spell check.

**REQUIRED SIGNATURE**

**ABSOLUTELY NO TOBACCO, ALCOHOL OR ILLEGAL DRUG USE OR POSSESSION ALLOWED AT HSSRIP.**  
Can you agree to this? \_\_\_\_\_

I certify that all information in my application is the truth, to the best of my knowledge. I certify the essays are my own work. I hereby apply for admission to HSSRIP. I understand that **if selected** I will receive a scholarship to pay for all expenses. I understand I must attend from May 26 to July 9, and that I must maintain a steady effort to complete all required work, and participate in the academic and social aspects of the HSSRIP program.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

(page 1 of 2)

**B**

LTER / EPSCoR HSSRIP 2009 Student Application

**CONFIDENTIAL SCHOOL ASSESSMENT** To be filled out by school counselor or principal

**\*\* DEADLINE: RECEIVED BY THE HSSRIP OFFICE NO LATER THAN 1 April 2009\*\***

Student's name: \_\_\_\_\_ School \_\_\_\_\_ Present Grade:  Jr  Sr

Any individual completing this form should have sufficient knowledge of the applicant to provide the information requested. HSSRIP prepares students for college and is rigorous. Help us to know this student! Nominate a present junior or senior to HSSRIP who is motivated to earn a college degree. Please be honest in your assessment: **Punctuality and commitment to work (even at tedious tasks) are two very important requirements for this internship. Please only recommend students who can meet these obligations.** A cumulative grade point average of at least 3.0 is preferred and student should read at or above grade level; preferably have lived all or most of their life in rural Alaska; and be likely to improve their chances for college success by early exposure to college learning. HSSRP encourages rural Alaska Natives to apply. Be candid; all information is kept confidential. Only those who score applications will see it. Do not help students with writing their required essay. This is a FORMAL ESSAY, demonstrating the student's thinking and writing. Thank you for your help.

1. Student cumulative GPA \_\_\_\_\_
2. If you answer no to the following questions, please explain: \_\_\_\_\_  
 Standardized test scores reflect ability?  Yes  No  
 Does student read at grade level?  Yes  No
3. School recommenders sometimes write favorably about a student's academic strengths and describe them generally as a wonderful candidate for HSSRIP. A poor transcript may contradict this assessment with many Cs, Ds and even failing grades. If this is the situation, please explain the contradiction:

---

---

---

---

---

Please answer the following questions. If your answer to any of these questions is "yes," please write a brief explanation. If you need more space for your responses, feel free to attach another sheet:

- Does student have a history of inappropriate behavior?  Yes  No
- Does the student have a history of drugs and/or alcohol problems?  Yes  No
- Does the student smoke (yes does not disqualify)?  Yes  No
- Does the student have supportive parents/ family?  Yes  No

Part B, School Assessment: counselor, principal  
(page 2 of 2)

Overall Recommendation: Write a brief statement to help us know this student:

1. Attitude toward education, eg., excited, motivated, intellectually inquisitive.

Four horizontal lines for writing the response to question 1.

2. What are this student's weaknesses?

Four horizontal lines for writing the response to question 2.

3. Please describe the student in the following areas. What are the student's plans to earn an academic degree, ability to understand new material and to adapt to new situations, punctuality, school attendance, maturity under stress, motivation to learn, ability to meet deadlines and to complete assignments on time, leadership, and respect for authority. Please be frank and direct.

Eight horizontal lines for writing the response to question 3.
