3. **Approval of Revisions to Regents' Policy 10.02.040.D – Academic Unit Establishment, Major Revision, and Elimination**

   PASSED

   "The Board of Regents revises Regents' Policy 10.02.040.D – Academic Unit Establishment, Major Revision, and Elimination, as presented. This motion is effective December 2, 2008."

4. **Authorization of Application to the Alaska Energy Authority Grant to Fund the Design and Construction of a Combined Heat and Power Project at the University of Alaska Anchorage**

   A RESOLUTION OF THE UNIVERSITY OF ALASKA BOARD OF REGENTS AUTHORIZING THE UNIVERSITY OF ALASKA ADMINISTRATION TO APPLY FOR A GRANT FROM THE ALASKA ENERGY AUTHORITY TO FUND THE DESIGN & CONSTRUCTION OF A COMBINED HEAT AND POWER PROJECT

   WHEREAS, Anchorage Municipal Light and Power (ML&P), University of Alaska Anchorage (UAA) and Providence Alaska Medical Center (PAMC) are preparing to develop a combined heat and power project to be located in the U-Med district for the benefit of the three organizations. The project will contain one or two gas turbine generators each with a heat recovery boiler and a thermal distribution system that will connect PAMC and UAA buildings to the plant.
WHEREAS, ML & P and UAA intend to apply for $35,000,000 in grant monies as partial funding for the design and construction of a combined heat and power project with a current estimated design and construction cost of approximately $55,000,000.

NOW, THEREFORE, the Board of Regents resolves:

Section 1. The University of Alaska Administration is authorized to apply in conjunction with ML&P for a grant of $35,000,000 for the design and construction of a combined heat and power project with an estimated cost of $55,000,000.

Section 2. This authorization is not an approval of the project nor an authorization to accept grant monies for the project. The project agreements between UAA, ML&P and PAMC are subject to approval of the Board of Regents. If the generator(s) proposed are to be located on university property, such facilities are subject to the approval of the Board of Regents.

Section 3. Kit Duke, Chief Facilities Officer, is authorized to be the named point-of-contact for the grant application and is authorized to represent UAA for purposes of this application, except that the grant application must be approved and signed by the President.

Section 4. UAA is in compliance with all federal, state and local laws related to existing credit and federal tax obligations.

Section 5. This resolution shall be effective immediately upon passage and approval by the Board of Regents.

PASSED AND APPROVED by the University of Alaska Board of Regents this 2nd day of December, 2008.

5. Authorization of Application to the Alaska Energy Authority Grant to Fund the Design and Construction of a Central Chiller Project Using Waste Steam at the University of Alaska Fairbanks

A RESOLUTION OF THE UNIVERSITY OF ALASKA BOARD OF REGENTS AUTHORIZING THE UNIVERSITY OF ALASKA ADMINISTRATION TO APPLY FOR A GRANT FROM THE ALASKA ENERGY AUTHORITY TO FUND THE DESIGN & CONSTRUCTION OF A CENTRAL CHILLER PROJECT USING WASTE STEAM

WHEREAS, University of Alaska Fairbanks (UAF) is preparing to develop a central chiller project using waste steam to be located on the West Ridge area of
the UAF campus. The project will replace the existing electric driven chillers located in each building with a central steam driven absorption chiller facility. The chilled water will then be distributed to the individual buildings with pipes located in the existing utilidor system. Waste steam will be used as the energy source.

WHEREAS, UAF intends to apply for $10,000,000 in grant monies as partial funding for the design and construction of a central chiller project with a current estimated design and construction cost of approximately $15,000,000.

NOW, THEREFORE, the Board of Regents resolves:

Section 1. The University of Alaska administration is authorized to apply for a grant of $10,000,000 for the design and construction of a central chiller project with an estimated cost of $15,000,000.

Section 2. Kit Duke, Chief Facilities Officer, is authorized to be the named point-of-contact for the grant application and is authorized to represent UAF for purposes of this application, except that the grant application must be approved and signed by the President.

Section 3. UAF is in compliance with all federal, state and local laws related to existing credit and federal tax obligations.

Section 4. This resolution shall be effective immediately upon passage and approval by the Board of Regents.

PASSED AND APPROVED by the University of Alaska Board of Regents this 2nd day of December, 2008.

6. Authorization of Application to the Alaska Energy Authority Grant to Fund the Design and Construction of a Solar Photovoltaic Project at the University of Alaska Fairbanks

A RESOLUTION OF THE UNIVERSITY OF ALASKA BOARD OF REGENTS AUTHORIZING THE UNIVERSITY OF ALASKA ADMINISTRATION TO APPLY FOR A GRANT FROM THE ALASKA ENERGY AUTHORITY TO FUND THE DESIGN & CONSTRUCTION OF A SOLAR PHOTOVOLTAIC PROJECT

WHEREAS, University of Alaska Fairbanks (UAF) is preparing to develop a solar photovoltaic project to be located at the Student Recreation Center on the UAF campus. The UAF Photovoltaic (PV) Project will install approximately 20 kW of PV panels on the roof of the Student Recreation Center. This project would offset the generation of 20,000 kW-hrs per year of electricity by fossil fuels.
WHEREAS, UAF intends to apply for $320,000 in grant monies as partial funding for the design and construction of a solar photovoltaic project with a current estimated design and construction cost of approximately $370,000.

NOW, THEREFORE, the Board of Regents resolves:

Section 1. The University of Alaska administration is authorized to apply for a grant of $320,000 for the design and construction of a solar photovoltaic project with an estimated cost of $370,000.

Section 2. Kit Duke, Chief Facilities Officer, is authorized to be the named point-of-contact for the grant application and is authorized to represent UAF for purposes of this application, except that the grant application must be approved and signed by the President.

Section 3. UAF is in compliance with all federal, state and local laws related to existing credit and federal tax obligations.

Section 4. This resolution shall be effective immediately upon passage and approval by the Board of Regents.

PASSED AND APPROVED by the University of Alaska Board of Regents this 2nd day of December, 2008.
