Charter Revisions
Motion: Michael motioned to accept the proposed change to the Standing Rules to add that attendance would affect whether a member could travel or not. Ayla seconded. A roll call vote was taken. None present opposed, and all were in favor. The motion carried.

The student commissioner role was discussed and the students voiced concerns about the burden of the budget. The student regent is no longer paid by the coalition, but travel comes from the regents’ budget. Several students stated the coalition is not responsible to pay travel for the student commissioner whose position is a state position and not UA. Students stated the coalition should vote to pay for travel when special circumstances arise. Student commissioner’s travel should be part of the commission’s responsibility. Put it in to the Standing Rules.

The coalition discussed adding the officer positions of secretary, treasurer and possibly historian to take responsibilities from the System Governance Office and have more involvement in the coalition. Ayla moved to have a special meeting in two weeks or so and to table this issue until then. Jarmyn seconded the move. Shauna stated she would get a volunteer to write the job descriptions.
