

Call for Abstracts & Registration

Tenth Annual University of Alaska Biomedical Research Conference (UABRC)

University of Alaska Fairbanks
May 18 – 19, 2017

The University of Alaska Biochemistry and Neuroscience Program in collaboration with **BLaST** and **INBRE** announce the 10th Annual University of Alaska Biomedical Research Conference (UA-BRC) to be held May 18 and 19, 2017 at University of Alaska Fairbanks Campus in the Murie Building.

This two-day conference will showcase **Biomedical and One Health-related research** from Graduate students, Undergraduate students, Researchers, and Faculty throughout Alaska in form of Oral Presentations and Poster Sessions.

Roundtable Discussions and **Break-out Sessions** will address diverse topics relevant to undergraduate students, graduate students, and or faculty including Curriculum Development/Collaborations, Student Chapters, and Translational Research

Registration: Please complete the on-line registration by **April 16, 2017**, and indicate your intent to present your research either as a poster or as an oral presentation. Registration is free, but required even if you do not wish to present.

<https://uafblast.wufoo.com/forms/registration-for-uabrc-2017/>

Abstract Submission: Please use the attached abstract submission instructions for on-line submissions. Abstracts are due by **April 16, 2017**.

Travel funds: generously provided through BLaST and INBRE:

Instructions for On-line Abstract Submissions:

Abstracts are welcomed in all areas relevant to biomedical and One Health-related research. We encourage all Undergraduate students, Graduate students, Researchers, and Faculty throughout Alaska to participate in this event.

Formatting of Abstracts:

Abstracts should include the following sections:

- Title
- Presenting Author followed by Co-Authors
- Authors Affiliations
- Abstract Text (250 words)
- Acknowledgements/Support Provided

Any illustrations included in the abstract should be in black and white.

Online Abstract Submission Procedure:

Abstracts must be submitted using the link below. Paste the sections of your abstract into the corresponding boxes.

<https://uafblast.wufoo.com/forms/abstract-submission-for-uabrc-2017/>

Email Contact for specific requirements:

Please type "UA-BRC 2017 – Presenting Author Last Name - Campus" in the subject line. If you have any particular requirements for your presentations, please specify in detail so we accommodate accordingly. Also, indicate if you would be willing to present a poster in the event that all podium presentation times are filled.

Thank you for participating in this conference. If you have any questions, please direct them to:
