I am eligible for resident tuition assessment because I:

1. Received or was qualified* to receive an Alaska Permanent Fund Dividend by the State of Alaska Permanent Fund Dividend Division within the last 12 months; and

*The term "qualified" in item 1 above refers to an individual's eligibility for the PFD distributed within the last 12 months, even though the PFD may have been garnished or withheld from the recipient. Proof of PFD distribution or eligibility (not just proof of PFD application) is required prior to the published end of the add/drop period for regular semester-length courses for the semester in which residency is sought.
