#### **Chapter 09.02 - Student Rights and Responsibilities**

##### **R09.02.010. General Statement: Student Rights and Responsibilities**

The purpose of this regulation is to further define the University of Alaska's Student Code of Conduct, or Code, and to establish a framework for the enforcement of the Code. These procedures, and their elaboration in MAU rules and procedures, will allow for fact-finding and decision-making in the context of an educational community, encourage students to accept responsibility for their actions, and provide procedural safeguards to protect the rights of students and the interests of the university. These procedures are applicable to all students and student organizations.

##### **R09.02.020. Student Code of Conduct**

Disciplinary action may be initiated by the university and disciplinary sanctions imposed against any student or student organization found responsible for committing, attempting to commit, or intentionally assisting in the commission of any of the following categories of conduct prohibited by the Code.

The examples provided in this section of actions constituting forms of conduct prohibited by the Code are not intended to define prohibited conduct in exhaustive terms, but rather to set forth examples to serve as guidelines for acceptable and unacceptable behavior.
