

September 28, 2009

Dear University of Alaska staff member:

At its meeting on September 25, the Board of Regents unanimously approved the proposed modifications to the staff compensation grid that were the subject of my September 21 memo to you. For more details, see <http://www.alaska.edu/classification/compensation-information/Staff-grid-proposed-change-Behner-Memo-9-21-09.pdf>

The newly approved grid will not be implemented until June 2010. More information will be available before that time to explain the renumbering of the steps and to let you know whether and by how much your hourly rate of pay will increase. (No one will experience a reduction of pay; the average amount of increase will be 12 cents per hour.)

Thank you for the work you do for the University. If you have questions on these topics, please feel free to contact me, the UA Compensation office or your campus HR representative.
