CASE NO. 08-1537-UC

ORDER ON PETITION FOR UNIT CLARIFICATION

The Board has reviewed the record in the unit clarification petition (case number 08-1537-UC), briefs of the parties, and the records in case numbers 07-1514-ULP and 08-1536-ULP. The Board has placed the two unfair labor practice complaints in abeyance pending the determination of this unit clarification petition.

The Board finds the unit clarification petition is sufficient under 8 AAC 97.050(b), and that it has been served adequately under 8 AAC 97.050(c).

The issues raised by the parties, including but not limited to the timeliness of the petition and whether there has been a change of circumstances that justifies granting all or part of the petition, will be addressed at the hearing in this matter.

The Board orders the parties to proceed to a prehearing conference regarding the unit clarification petition for the purpose of scheduling a hearing.

Dated: August 25, 2009.
