Non-Reappointment

(Arbitrator's Opinion & Award - AAA # 75 L 300 00259 98)

Arbitrator Jane Wilkinson has ruled that the university did not have an obligation to provide additional notice of non-renewal to a fixed term faculty member. The union had grieved the fact that a UAF faculty member did not receive a new appointment after his 1996-1997 fixed term appointment expired (this occurred prior to the effective date of the Collective Bargaining Agreement).
