

*You are cordially invited to
apply for the Spring 2008
Tech Prep Worksession*

“How to Incorporate Career Clusters, Core Standards and Crosswalks into your School’s Career and Technical Education Programs of Study”

Who? Secondary and Post-secondary instructors, counselors, CTE staff and administrators. Districts are encouraged to send teams of at least 2-3 people

Where? **BP Energy Center**, Anchorage

When? **Thursday, February 28 and Friday, February 29, 2008**
8:15 – 4:15 pm with lunch provided on-site

**Guest
Presenter:** **Becky Nelson** — *A secondary teacher for nine years, Becky worked on school improvement, professional learning communities, and Perkins requirements. In 2005 she began work with the South Dakota State Department of Education in Career and Technical Education certification and Perkins Accountability. Becky is the team leader for Career Clusters in South Dakota.*

**What’s
Included:** The Alaska Tech Prep Consortium will reimburse teams for travel to Anchorage and three nights at the Marriott Residence Inn (two participants to a suite-each with their own private bedroom and bath). *The Residence Inn provides a free airport shuttle and is a short walk from the BP Center.*

**How to
Enroll:** Teams must send an email to the Alaska Tech Prep Consortium with the following information:

- **Names and job titles of team members**
- **Type of CTE programs/classes involved with**
- **A statement of why your team would like to enroll in the worksession**

•Emails must be submitted by: **January 11, 2008** to joyce.oswald@uaa.alaska.edu -- teams will be notified by **January 17, 2008** if they have been selected, enrollment is limited to 100.

•All flight reservations and hotel bookings must be completed by the participants on or before, **January 23, 2008** -- *1 credit of Professional Development will be made available through the UAA, CTE program at participant’s expense.*
