

2008 Alaska Rural Energy Conference

Girdwood, Alaska
September 16th – 18th, 2008

Call for Presentation Abstracts

Developing Local & Renewable Energy Resources

Abstracts are invited in the following areas:

- Heat Recovery
- Coal & Coalbed Methane
- Fuel Cells & Hydrogen
- Remote Power, Hybrid Systems
- Efficiency/Conservation
- Data Acquisition & Control
- Green Power Pricing
- Village Scale Management
- Hydro, Geothermal, Wind & Wind Hybrids & Other Alternatives
- Bulk Fuels
- New Fuels
- Diesel Engines
- Biomass
- Utility Management & Financing
- Power Cost Equalization
- Large Scale & Regional Projects
- Solar

Abstracts should be no more than 300 words, and include author name(s), title, and affiliation. They should be submitted electronically to fyaetdl@uaf.edu in WORD format.

Abstracts will be reviewed by a Review Committee, consisting of the appropriate Session Chair and members of the Organizing Committee, to determine their suitability for presentation. Preference will be given to active projects in Alaska.

Timeline:	Abstracts due	May 1st, 2008
	Notification of acceptance sent by	May 30th, 2008
	Full presentations due (Power Point format on CD)	August 31, 2008

Authors whose abstracts are accepted will make their presentations in person. All abstracts not chosen for presentation are invited to participate in the poster session on Wednesday evening, September 17th from 5-8 pm, and must be removed by 9:00 pm.

If you are not interested in making a presentation during the regular technical sessions, but would like to participate in the Poster Session, please include the Poster Session application.

All authors and Poster Session participants are expected to register and pay the appropriate conference fees.

The conference proceedings will be made available to all conference participants.
