MEMORANDUM

DATE: November 29, 2010

TO: Board Chair Cynthia Henry and Members of the Board of Regents  
Coalition of Student Leaders  
System Governance Council

FROM: Patrick Gamble, President 

RE: Scheduled Tuition Adjustment Notice

This memorandum represents notice of the proposed inflation-adjusted tuition rates for AY2013 as required by Regents' Policy<sup>1</sup>.

This tuition notice is the product of careful consideration of UA system budget requirements from among the chancellors, staffs, UA students, and representatives from a broad based advisory task force specifically formed to address UA's revenue/tuition needs

In September 2010, the board confirmed an AY2012 tuition increase of 5 percent for 100- to 200- level courses. The BOR deferred action on AY2013 until the December meeting, citing a Coalition of Student Leaders' counter proposal and the subsequent aforementioned dialogue it generated with students and representatives of the UA community.

The proposal before you reflects the consensus reached by most participating parties. For AY13 we recommend a 7 percent increase to all undergraduate rates of tuition, both resident and non-resident. In addition, we also recommend a 3 percent increase to graduate rates of tuition, both resident and non-resident.

The table on the next page reflects the current and proposed rates.

Thank you.
