CRITICAL MINERAL STRATEGIC PLANS
“Envision and implement a broadly-supported strategic plan for inclusive development of Alaska’s critical mineral resources”
CRITICAL MINERAL STRATEGIC PLANS
Northern Territories (AU)

3 Point Plan

1. Accelerate exploration for critical minerals
2. Support critical minerals projects to commence production
3. Grow refining, processing and manufacturing of critical minerals in the Territory

The Territory critical minerals plan (nt.gov.au)
Ontario's Critical Minerals Strategy 2022–2027: Unlocking potential to drive economic recovery and prosperity | ontario.ca

1. Enhancing geoscience information and supporting critical minerals exploration
2. Growing domestic processing and creating resilient local supply chains
3. Improving Ontario's regulatory framework
4. Investing in innovation, research and development
5. Building economic development opportunities with Indigenous partners
6. Growing labour supply and developing a skilled labour force
