

GENERAL COMPETITION INFORMATION

Failure to follow the stated guidelines could result in disqualification of student competing.

All students wishing to compete at the Educators Rising National Conference must complete 3 required steps:

1. Be an Active-level paid national member of Educators Rising for the current school year. State level membership must be paid, if applicable.
2. Sign up to compete at the national conference and submit any required materials by the stated deadline through the Student Resources section in the EdRising Membership Portal.
This is NOT done automatically if you competed at a state or regional conference.
3. Register to attend the Educators Rising National Conference.

LEVELS OF COMPETITION

 - Middle School level — Grades 7, 8
 - High School Junior Varsity level — Grades 9, 10
 - High School Varsity level — Grades 11, 12
 - Collegiate level – Undergraduates only
- Teams consisting of students from varying grade levels will be placed in the division for the grade level of the most senior member.
- If there are not at least three competitors registered for a competition in a division, the competitors will be moved to the next highest division. The collegiate division will compete in their own division regardless of the number of competitors.
- All team events must have at least two students (and no more than four) per school to qualify.
- For teams consisting of students of varying grade levels, the team will be placed in the division for the grade level of the most senior member.
- If a competitor is from a state that holds state competitions, they must first qualify in that given event at their state conference before competing in that event at the Educators Rising National Conference. Contact your state/regional coordinator to see if your state offers competitions. Visit bit.ly/EdRisingAffiliates to contact your state/regional coordinator.
- For states that offer state-level competitions, the top ten places in each competition for each division offered by the state will be eligible to compete at the Educators Rising National Conference; no other entrants from states that offer the competition at the state level will be eligible for those state-level-offered competitions.
- For states that do not offer state-level competitions, students may register to compete in those events at the Educators Rising National Conference. This applies to all Educators Rising national competitions.
 - For example, if you want to compete in Impromptu Speaking but place sixth or lower in your state-level Impromptu Speaking competition or don't compete in the state level competitions at all — you unfortunately can't compete in Impromptu

Interested Educators Rising students will select one host teacher that works in their state and will receive permission from the professional to job shadow him/her for a total of eight hours. The eight hours are not expected to be consecutive; rather they are accumulated over a period of several days or weeks and occur when the host teacher is actively engaged in his/her work.
