From Facilities Council Charter:

Our Mission –
- Advise the President and Officers on matters relating to University facility assets.
- Provide strategic leadership and vision on the planning, construction, operations, management and disposal of University facilities compliant with Board policy.
- Provide collaboration, best practices experiences, and direction for facilities.
- Review, prioritize, and implement policies and procedures that will cost effectively and efficiently provide and maintain stewardship of facilities for faculty, students, and staff.
- Fulfill responsibilities with emphasis on optimizing resources to ensure availability for effective delivery of University programs in a safe and secure manner.

Our Scope -
- Develop and maintain system-wide policies and procedures that deliver consistent levels of quality facilities stewardship in support of academic programs.
- Utilize and report on metrics and industry best practices to achieve efficient and cost effective Facilities Management and capital planning.

Relative to this mission: FC will track the following KPIs for Facilities: Density (Usage), Utility Costs (Energy Usage), Renovation age, Facility Condition Index and Customer Satisfaction.
