**Independent Auditors' Report on Compliance with Requirements Applicable  
to Each Major Program, Internal Control over Compliance and Supplementary  
Schedule of Expenditures of Federal Awards in Accordance with OMB Circular A-133**

The Board of Regents  
The University of Alaska:

**Compliance**

We have audited the compliance of the University of Alaska with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2004. The University of Alaska's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the University of Alaska's management. Our responsibility is to express an opinion on the University of Alaska's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the University of Alaska's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the University of Alaska's compliance with those requirements.

In our opinion, the University of Alaska complied, in all material respects, with the requirements referred to above that are applicable to its major federal programs for the year ended June 30, 2004. However, the results of our auditing procedures disclosed an instance of noncompliance with those requirements, which is required to be reported in accordance with Circular A-133 and which is described in the accompanying schedule of findings and questioned costs as item 2004-1.

The Board of Regents  
The University of Alaska

### **Internal Control over Compliance**

The management of the University of Alaska is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the University of Alaska's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

### **Schedule of Expenditures of Federal Awards**

We have audited the basic financial statements of the University of Alaska as of and for the year ended June 30, 2004, and have issued our report thereon dated September 30, 2004. Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

\* \* \* \* \*

This report is intended for the information of the Board of Regents, management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**KPMG LLP**

September 30, 2004, except for  
compliance with requirements applicable  
to each major program and internal control  
over compliance which is as of  
February 25, 2005

Notes to Schedule of Expenditures of Federal Awards

June 30, 2004

**(1) General**

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all federal financial assistance programs of the University of Alaska. The University of Alaska is a constitutionally created corporation and a component unit of the State of Alaska. Federal financial assistance received directly from federal agencies as well as federal financial assistance passed through other government agencies is included on the schedule.

**(2) Basis of Accounting**

The accompanying Schedule of Expenditures of Federal Awards is presented using the economic resources measurement focus and accrual basis of accounting, which is described in note 1 to the University of Alaska's financial statements.

**(3) Non-Cash Federal Awards**

The University receives Federal awards under the Perkins Loan Program (CFDA #84.638). The outstanding loan balances under this program totaled \$36,879 as of June 30, 2004.

**(4) Subrecipients**

The University of Alaska passed through \$8,315,647 of federal awards to subrecipients for the year ended June 30, 2004. Expenditures incurred by the subrecipients are listed below by federal program. These amounts are included in the Schedule of Expenditures of Federal Awards.

<b>Federal Agency and Program</b>	<b>CFDA#</b>	<b>Expenditures</b>

## UNIVERSITY OF ALASKA

### Schedule of Findings and Questioned Costs

June 30, 2004

#### (1) Summary of Auditor's Results

- a. An unqualified independent auditors' report was issued on the financial statements of the University of Alaska.
- b. No reportable conditions or material weaknesses were disclosed in the report on compliance and on internal control based on an audit of the financial statements.
- c. There was no noncompliance which is material to the financial statements.
- d. No reportable conditions or material weaknesses were disclosed in the report on compliance with requirements applicable to each major program and internal control over compliance.
- e. An unqualified independent auditors' report was issued on compliance for major programs.
- f. The audit disclosed a finding required to be reported by OMB Circular A – 133.
- g. The following were identified as major programs:
  - Research and Development Cluster
  - TRIO Cluster
  - Department of Commerce, National Telecommunications and Information Administration Public Telecommunications Facilities Planning and Construction Grant (CFDA #11.550)
  - Department of Commerce, Technology Opportunities Program Grant (CFDA #11.552)
  - Department of Education, School Leadership Grants (CFDA #84.363)
- h. Programs with federal expenditures greater than \$3,000,000 were identified as Type A programs. Programs with federal expenditures \$3,000,000 or less were identified as Type B programs.
- i. The University of Alaska qualified as a low-risk auditee under Section 530 of OMB Circular A-133.

#### (2) Findings Relating to General Purpose Financial Statements Reported in Accordance with *Government Auditing Standards*

None

#### (3) Findings and Questioned Costs Related to Federal Award

##### *Finding 2004 – 1*

**Department of Education, TRIO Cluster, TRIO-Talent Search Program, CFDA #84.044, Program Year 2002 – 2003**

**Criteria or Specific Requirement** – According to the Code of Federal Regulations, Title 34, Sections 643-10 and 643-7, at least two-thirds of the individuals served by a talent search project must be low-income individuals who are potential first generation college students.

## UNIVERSITY OF ALASKA

### Schedule of Findings and Questioned Costs

June 30, 2004

**Condition** – For the program year 2002–2003, 63.5 percent of the University of Alaska Anchorage Talent Search Program participants were low-income individuals who were potential first generation college students. For the program year 2002–2003, 12.2 percent of the University of Alaska Fairbanks (Bristol Bay region) Talent Search Program participants were low-income individuals who were potential first-generation college students.

**Questioned Costs** – None.

**Context** – Isolated to Talent Search Program.

**Effect** - The University provided talent search program services to a population that did not meet the program's earmarking requirement.

**Recommendation** – The University should make every effort to serve the number of Talent Search participants required by the program.

**Independent Auditors' Report on Internal Control  
over Financial Reporting and on Compliance and Other Matters  
Based on an Audit of Financial Statements Performed in  
Accordance with *Government Auditing Standards***

The Board of Regents  
The University of Alaska:

We have audited the financial statements of the University of Alaska as of and for the year ended June 30, 2004, and have issued our report thereon dated September 30, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control over Financial Reporting**

In planning and performing our audit, we considered the University of Alaska's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the University of Alaska's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended for the information of the Board of Regents, management and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
