**Re:** **Executive Administration Costs at the University of Alaska**

In the Fall of 2020, Mr. Bishko met with Faculty Alliance about an efficiency, “pain point,” and system collaboration analysis he was conducting as a contractor with the University of Alaska system. Alliance was told that we would receive a copy of the report when complete. We understand his report was delayed after Mr. Bishko accepted a position as the interim Chief Human Resource Officer.

Please release the report by October 15, 2022. If the report is not yet complete or is no longer in process, we request a copy of the draft report and/or any data collected.

Support of this request agreed upon by consensus at the Faculty Alliance meeting on August 19, 2022.
