Re: Extension of the Employee Tuition Waiver pilot program and regulation change

In response to your memo of July 31, 2023, the Faculty Alliance has reviewed your request to revise Regulation R04.06.010 Employee Education Benefits. This proposal to remove academic year and semester credit limits on tuition waivers for employees is a welcome change – it has full Faculty Alliance support. We look forward to reviewing the revised language and fiscal analysis.

Sincerely,
