

## Faculty Alliance Meeting Notes: 4/9/2021

Paul Layer provided a SW update:

- The Alliance will have support from Kelly James as we move forward. Guidelines are being developed and FA will have input on what we need from Kelly.
- Paul discussed the middle college bill, reading bills, and accreditation reporting requirements [ faculty were concerned about the instructor requirements if a college course was being taught in a HS setting
- Paul discussed TVEP reauthorization and federal and state monies that may be available for the UA system- faculty asked for transparency in the process of receiving funds the and allocation of funds by SW

FS Updates:

UAA: Diversity Committee reviewed ANSC Resolution and put forth a resolution form UAA, chancellor search is hard work but UAA has some potential candidates- 8 finalists, the admin. review report was turned in

UAS: UAS is working on revising the adjunct form, creating a committee for the Provost search in the fall, Arts and Sciences is searching for a dean. UAS is obtaining feedback on the FA ANSC resolution

UAF: Concerns about targeted faculty, program restructure, athletic consultants, and letters of expectations were expressed; UAF is also obtaining feedback on the FA ANSC Resolution

All three universities have submitted their administrative review reports. SW has yet to finish the review. Survey results from about 50% of those questioned regarding interactions between the universities and SW were obtained. Results will be analyzed. The group is meeting next week. A concern that Steve Patin stated we are all UA employees- your tenure is not associated with one university was expressed by several faculty.

ANSC suggested to UA administration that First Alaskans Institute do a study/information gathering -that offer was rejected, a consultant was hired at SW to lead the equity review- First Alaskans will do the work for the ANSC anyway- FS- take resolution to senates and confirm support – support for the ANSC recommendations

Website review occurring and members may bring back suggestions for Kelly.

Discussion ensued regarding the sun setting of FA Task Forces

Senates will look at the proctoring information and provide feedback

FA discussed the possibility of a media campaign for BOR equity
