**RESOLUTION FY18-02**  
Resolution Regarding Search Committee  
Involvement for Senior Administrator Positions

**RESOLUTION:** Staff Alliance approves the following resolution to request that administration include staff governance representation on searches for senior administrator positions and officers of the University throughout the UA system.

**RATIONALE:**

WHEREAS, shared governance is a hallmark of higher education and is supported by Regents' Policy P03.01.010<sup>1</sup>; and

WHEREAS, senior administrators and officers of the University have the ability to significantly impact University policy and procedure; and

WHEREAS, staff members work closely with and for senior administrators and officers of the University; and

WHEREAS, staff governance representatives represent a broad range of experiences, backgrounds, units, and perspectives; and

WHEREAS, the University has expressed the importance of increasing representation of underrepresented groups

THEREFORE BE IT RESOLVED, Staff Alliance requests staff governance representation on all future search committees involving senior administrators and officers of the University positions<sup>2</sup>.
