## Memorandum

Date: April 19, 2017  
To: Nate Bauer, Staff Alliance Chair  
From: Daniel M. White, UA Vice President for Academic Affairs and Research   
Re: Response to Summary of Staff Feedback on Strategic Pathways Phase 2 Options Staff Alliance  
March 27, 2017 Memo

Thank you to the Staff Alliance for collecting and submitting a summary of staff feedback on the Strategic Pathways Phase 2 options. The Strategic Pathways process has evolved since we began in June 2016 and we recognize the need for enhanced feedback from our UA community. The staff community's voice is important as we develop and refine our path going forward.

The staff feedback summary was conveyed to President Johnsen. We are focused on the issues raised in relation to the team options and look forward to continued communication with staff members as options are considered.
