Re: 2017 – 2020 CBA

Dear Colleagues,

The University of Alaska Faculty Alliance would like to express gratitude to the United Academics CBA Negotiating Team for their tireless efforts in pursuit of a collective bargaining agreement that is equitable to faculty across the University of Alaska system. The current budget environment coupled with historical administrative efforts to minimize faculty compensation and benefits left the team with the formidable task of negotiating reasonable contractual terms. To have managed the allowances described in the recent United Academics communique is admirable and greatly appreciated.

The Faculty Alliance extends our warmest thanks.

Best Regards,
