MEMORANDUM

DATE: 6 May 2022

TO: Members of the University of Alaska Board of Regents

FROM: UA System Governance Council 

Re: Endorsement of the Faculty Alliance Resolution to support the Alaska Native Success Initiative (ANSI) Goals

“The UA BOR has embraced the ANSI and endorsed goals to increase Alaska Native student graduation rates, and recruitment and retention of Alaska Native faculty. We hope that Alaska Native staff will also be highlighted in ANSI endeavors as well. These goals need to have financial investments and a solid budget, otherwise it will fail.”

The System Governance Council endorses the Faculty Alliance Resolution 2022-02 to support the Alaska Native Success Initiative (ANSI) Goals. We ask that you encourage the university administration to implement the five priorities listed in Resolution 2022-02.
