New Business:

1:05 pm Chair report

1:10 pm [Biosimilars performance update](#)

1:15 pm Quarterly Wellness Update

1:25 pm Discussion to Review Pros/Cons of a Calendar Year Plan

Points to consider:

- Facilitate open enrollment at a less busy time of year
- Ensure more off-contract periods remain within the same plan year
- Plan year design timeline adjusted to earlier in the year (may overlap summer months)
- KM to be moved earlier in the year (spring)
- Implementation timing
- Fiscal planning

CHRO Dahl objected to the discussion based on a pending arbitration with UNAC. Jill Dumesnil pointed out that this had not been her idea to add to the agenda. Melanie Arthur pointed to the broad scope of the committee, that UNAC did not see this discussion as

related to the pending arbitration, and that open discussion amongst the committee is helpful and should not be hindered by pending arbitration on a different matter.
