1:10 pm FY27 Plan and Rate Options Recommendation

Motion: Approve "Option 1" as presented by UA in our October JHCC meetings. This option does NOT eliminate any category of GLP-1s nor does it create an incentive, through \$500 HSA contributions by UA, for members to join the HDHP plan in FY27.

Motion passes 9 to 3.

2:50 pm Member Comments

Luke: Responding to Melanie about not wanting to be heard from. Reiterating the value of this structure and all voices

Nickole: thanking everyone for bringing their viewpoints forward

Jill: Why faculty don't trust information from administration: The options with the HSA contributions. There were no previous discussions. At BOR Jepson asked about incentives to get people to join HDHP and it was enlightening.

Back and forth about consumer driven health plans
