Preliminary Admissions and Course Registration
Fall 2025 Semester
Aug 18, 2025

This report compares activity 1 week prior to the first day of instruction for Fall 2025 and Fall 2024 semesters. Information reported here is normalized relative to the first day of instruction for a given term. Fall 2025 semester instruction begins Monday, August 25 and Fall 2024 semester instruction began Monday, August 26.

Closing Outlook

If current trends hold, nearly 20,200 students are anticipated to enroll by the close of Fall 2025, a projected increase of 3 percent (570 students) over Fall 2024. Student credit hour (SCH) registration is anticipated to increase by 5 percent (9,000 SCH), reaching more than 183,700 SCH by the end of the term. Graphs displaying historical and current system level course registration patterns for student headcount and SCH are provided on pages 9 and 10, respectively.

Applications

Over 15,580 applications have been started by prospective students for Fall 2025, up 20 percent (2,636) from Fall 2024. UA Anchorage was up 5 percent (332), and UA Fairbanks increased 44 percent (2,429), while UA Southeast activity decreased 14 percent (119) year-over-year. Additional detail for UA Anchorage, UA Fairbanks and UA Southeast may be found on pages 5, 6 and 7, respectively. Unduplicated UA Total application trends are provided on page 8.

About 63 percent of applications for Fall 2025 have resulted in admission to a program or course. Of the 9,749 students accepted so far, 44 percent (4,322) have elected to enroll, to-date. This represents an increase of 87 students, year-over-year, in the number of newly admitted students who enrolled.

Course Registration

With two weeks to go before the first day of classes, 17,128 students have registered for 169,247 Fall 2025 semester SCH. Year-over-year this represents a nearly 3 percent growth percent in headcount (486 additional students) and a 5 percent increase in SCH registration (8,290 SCH). About 4 percent of students (680) are concurrently enrolled in more than one university for Fall 2025.

Compared to last year at this time, UAA headcount is up almost 5 percent (442 additional students), and SCH is nearly 7 percent higher (5,894 SCH). See page 2 for additional UAA detail by academic unit.

UAF headcount increased 4 percent (239 students), with students registering in nearly 7 percent more (3,898) SCH year-over-year. See page 3 for additional UAF detail by academic unit.

At UAS, student headcount is nearly 13 percent (219 students) lower and student credit hour registration decreased nearly 12 percent (1,501 SCH) compared to this time last year. See page 4 for additional UAS detail by academic unit.

Course Registration
1 Week to Start of Fall Semester Instruction
Fall 2024 and Fall 2025 (Aug 19 2024 and Aug 18 2025)

Note: Information is preliminary. Includes all for-credit course registration activity recorded in Banner. Valid trends are reported by normalizing dates relative to the start of instruction for each Fall semester. Fall 2025 semester instruction begins Monday, August 25 and Fall 2024 semester instruction began Monday, August 26. Headcount is unduplicated at the reporting level, counting each student once and only once at each academic unit, academic organization and university that they enrolled at. Summing headcount over academic unit, academic organization and university will double count students and add up to more than the unduplicated system total, due to students utilizing courses from more than one location. Data is provided by UAA, UAF and UAS, extracted at 5pm on the report date from UA information systems. *Effective November 2024, the Interior Alaska Campus merged into UAF's Community and Technical College (CTC). Combined Fall 2024 headcount is unavailable due to non-additive data, but Fall 2024 SCH is additive and can be reported.

Registered for Course(s)	2,362

UAA Application Funnel, Fall 2025

|	
Started Application	7,278
Accepted for Program	4,444
Registered for Course(s)	2,454

Note: Information is preliminary. All applications recorded by each university are considered; some students apply to multiple programs/courses and sometimes to multiple UA universities. The number of started applications counts both complete and incomplete applications. Accepted application counts and registered for course(s) counts are unduplicated at the reporting level; summing over distinct university level counts would add to more than the unduplicated system total because of double counting. To be counted as an accepted student who registered for course(s), an individual must have enrolled at the university delivering the program/course they were accepted to. Data is provided by UAA, UAF and UAS, extracted on the report date from UA information systems.
