Preliminary Admissions and Course Registration
Fall 2025 Semester
July 28, 2025

The following is a comparison of student activity 4 weeks prior to the first day of instruction for Fall 2025 and Fall 2024 semesters. Information reported here is normalized relative to the first day of instruction for a given term, to provide accurate trend comparisons and projections at the university and system level. Fall 2025 semester instruction begins Monday, August 25 and Fall 2024 semester instruction began Monday, August 26. Trends are preliminary at this point.

Applications

Over 14,810 applications have been started by prospective students for Fall 2025, up 21 percent (2,581) from Fall 2024. UA Anchorage was up 4 percent (265), and UA Fairbanks increased 46 percent (2,446), while UA Southeast activity decreased 16 percent (123) year-over-year. Additional application activity detail for UA Anchorage, UA Fairbanks and UA Southeast may be found on pages 5, 6 and 7, respectively. Unduplicated UA Total application trends are provided on page 8.

About 63 percent of applications for Fall 2025 have resulted in admission to a program or course. Of the 9,280 students accepted so far, 36 percent (3,321) have elected to enroll, to-date. This represents an increase of 176 students, year-over-year, in the number of newly admitted students who enrolled.

Course Registration

With a little over a month to go before the first day of classes, 13,982 students have registered for 141,079 Fall 2025 semester student credit hours (SCH). Year-over-year this represents a nearly 5 percent growth percent in headcount (626 additional students) and a nearly 7 percent increase in SCH registration (8,803 SCH).

Compared to last year at this time, UAA headcount is up almost 6 percent (426 additional students), and SCH is almost 9 percent higher (6,118 SCH). See page 2 for additional UAA detail by academic unit.

UAF headcount increased 6 percent (311 students), with students registering in nearly 8 percent more (3,742) SCH year-over-year. See page 3 for additional UAF detail by academic unit.

At UAS, student headcount is over 9 percent (113 students) lower and student credit hour registration dropped about 11 percent (1,056 SCH) compared to this time last year. See page 4 for additional UAS detail by academic unit.

Course Registration
4 Weeks to Start of Fall Semester Instruction
Fall 2024 and Fall 2025 (July 29 2024 and July 28 2025)

Note: Information is preliminary. Includes all for-credit course registration activity recorded in Banner. Valid trends are reported by normalizing dates relative to the start of instruction for each Fall semester. Fall 2025 semester instruction begins Monday, August 25 and Fall 2024 semester instruction began Monday, August 26. Headcount is unduplicated at the reporting level, counting each student once and only once at each academic unit, academic organization and university that they enrolled at. Summing headcount over academic unit, academic organization and university will double count students and add up to more than the unduplicated system total, due to students utilizing courses from more than one location. Data is provided by UAA, UAF and UAS, extracted at 5pm on the report date from UA information systems. *Effective November 2024, the Interior Alaska Campus merged into UAF's Community and Technical College (CTC). Combined Fall 2024 headcount is unavailable due to non-additive data, but Fall 2024 SCH is additive and can be reported.

UAA Application Funnel, Fall 2025

|	
Started Application	6,846
Accepted for Program	4,085
Registered for Course(s)	1,801

Note: Information is preliminary. All applications recorded by each university are considered; some students apply to multiple programs/courses and sometimes to multiple UA universities. The number of started applications counts both complete and incomplete applications. Accepted application counts and registered for course(s) counts are unduplicated at the reporting level; summing over distinct university level counts would add to more than the unduplicated system total because of double counting. To be counted as an accepted student who registered for course(s), an individual must have enrolled at the university delivering the program/course they were accepted to. Data is provided by UAA, UAF and UAS, extracted on the report date from UA information systems.
