Note: An enrolled student is counted as a UA Scholar for eight years following the student's UA Scholar first term. This table reports financial aid paid to students for the fall 2020, spring 2021, and summer 2021 semesters by class standing. A student often holds multiple class standings over the course of an aid year; however, for the the purpose of this report students are reported under one class standing. Student class standing is assigned through a ranking process which first chooses the lowest degree seeking class standing a student held during the aid year, then considers non-degree and non-credit status. * Figures above only include UA Foundation aid reported in the Banner Financial Aid module. Overall average was calculated using all students who received the award regardless of degree seeking status.
