Summary: Financial Aid and Costs for All Students

In Aid Year (AY) 2024-25, 11,147 degree-seeking students and 1,039 non-degree-seeking students received at least one type of financial aid system wide (Table 4). This includes grants, scholarships, loans, and some tuition waivers. Institutional tuition discounts such as the Western Undergraduate Exchange and the Come Home Alaska discount, as well as tuition and fee waivers associated with university employment, are not categorized as financial aid.

Over the last five years, total financial aid distributions to UA students increased 10.8 percent (\$11.2 million), from \$105.0 million in AY2020-21 to \$116.3 million in AY2024-25. In the last year, financial aid distributions increased 17.2 percent (\$17.0 million) from \$99.3 million in AY2023-24 to \$116.3 million in AY2024-25. Grant awards increased by 32.3 percent (\$7.3 million) in the last year, and scholarships awarded increased 26.6 percent (\$11.8 million). Tuition and fee waivers increased 30.5 percent (\$269.2 thousand) in the last year. Federal student financial aid paid to students increased by 8.9 percent (\$4.1 million) in the last year. Financial aid paid to students from private sources remained relatively in line with the previous aid year (Table 2).

To receive financial aid, a student must complete the Free Application for Federal Student Aid (FAFSA) form. Alaska high school seniors complete the FAFSA at the lowest rate in the country, with only 31.6 percent of 2024-25 seniors submitting a complete application by July 2025¹. Alaska is roughly 7 percentage points behind the 2nd lowest state, Utah, and the 33.0 percentage points behind Tennessee, the state with the highest FAFSA completion rate.

Need-based financial aid award amounts have increased by 51.0 percent (\$11.5 million) since AY2020-21. In the last year, need-based financial aid award amounts increased by 48.6 percent (\$11.1 million). At UAA, need-based financial aid awards increased by 35 percent (\$4.4 million), at UAF 1,008.2 percent (\$390.6 thousand), at UAS 7.7 percent (\$130.6 thousand, Table 6).

Note: Total UA Foundation Student Aid is calculated according to financial statement requirements, so is defined differently than for internal UA operations and includes aid not booked in the Banner Financial Aid module. For example, UA Foundation reporting includes stipend travel awards to students as part of a fellowship, while the university operational definition reports this expenditure under 'Travel' rather than student aid. Due to rounding, university totals may not add exactly.

Note: This table reports financial aid paid for Aid Year 2024-25, consisting of Fall 2024, Spring 2025, and Summer 2025 semesters, by class standing. Students who held more than one class standing during the aid year are assigned the lowest degree-seeking (DS) class standing a student held during the aid year. Post undergraduate licensure program participants may still be eligible for subsidized Stafford Loans despite their UA class standing of graduate. Non-degree seeking (NDS) includes exchange students who are degree-seeking at their own institution and taking a full-time course load, as well as students granted retroactive admission to a degree program.

* Figures above only include UA Foundation aid reported in the Banner Financial Aid module. Total financial aid reported by the UA Foundation is in Table 4.14.

Note: This table reports the average amount of financial aid paid by type of aid (when paid amount >\$0) for Aid Year 2024-25, consisting of Fall 24, Spring 25, and Summer 25 semesters, by class standing. Students who held more than one class standing during the aid year are assigned the lowest degree-seeking (DS) class standing a student held during the aid year. Post undergraduate licensure program participants may still be eligible for subsidized Stafford Loans despite their UA class standing of graduate. Non-degree seeking (NDS) includes exchange students who are degree-seeking at their own institution and taking a full-time course load, as well as students granted retroactive admission to a degree program.

Note: This table reports need-based, non-loan financial aid awarded in an aid year that includes the Fall, Spring, and Summer semesters. Need-based aid is awarded on the basis of the calculated financial need of a student as determined from the student's Free Application for Federal Student Aid (FAFSA). While Subsidized Stafford Loans are need-based, because the need-based benefits to a student (lower interest rates and no interest accrual during the "grace period") are an avoidance of cost and not a payment to the student, Subsidized Stafford Loans are not included in this table.

Note: An enrolled student is counted as a UA Scholar for eight years following the student's UA Scholar first term. This table reports financial aid paid to students for the Fall 2024, Spring 2025, and Summer 2025 semesters by class standing. The number of students reported in these tables will be higher than the number of students reported for fall semester alone in other tables. A student often holds multiple class standings over the course of an aid year; however, for the the purpose of this report students are reported under one class standing. Student class standing is assigned through a ranking process which first chooses the lowest degree seeking class standing a student held during the aid year, then considers non-degree and non-credit status. * Figures above only include UA Foundation aid reported in the Banner Financial Aid module.

Note: This table reports financial aid paid to students for the Fall 2024, Spring 2025, and Summer 2025 semesters by class standing. The number of students reported in these tables will be higher than the number of students reported for fall semester alone in other tables. A student often holds multiple class standings over the course of an aid year; however, for the purpose of this report, students are reported under one class standing. Student class standing is assigned through a ranking process which first chooses the lowest degree seeking class standing a student held during the aid year, then considers non-degree and non-credit status.

* Figures above only include UA Foundation aid reported in the Banner Financial Aid module.

Note: This table reports financial aid paid to students for the Fall 2024, Spring 2025 and Summer 2025 semesters by class standing. A student often holds multiple class standings over the course of an aid year; however, for the purpose of this report, students are reported under one class standing. Student class standing is assigned through a ranking process which first chooses the lowest degree seeking class standing a student held during the aid year, then considers non-degree and non-credit status.

In the above table, University is first determined by where a student receives financial aid, then by a student's University program if no financial aid was awarded. An AEG recipient may receive financial aid from one University while enrolled at another University.
