Dear UAF Community,

I wanted to update you on the UAF Chancellor Search process and timeline.

Interim Chancellor

I will be selecting an interim chancellor **in early July 2025**. Prior to the selection of the interim, I will consult with UAF governance leaders, key UAF administrators and stakeholders, and the Board of Regents. I anticipate this position will serve through summer 2026 or until the permanent chancellor has been selected.

Between now and June 23rd, I will be accepting letters of interest and nominations for the interim chancellor. Internal and external candidates are eligible, and I am equally comfortable with interim candidates whether or not they want to pursue the permanent chancellor role.

Interested interim candidates can send a brief letter of interest (2 pages max), resume, or curriculum vitae via email to ua.president@alaska.edu. Please include "Interim UAF Chancellor" in the email subject line. Nominations can also be sent using the "Interim UAF Chancellor" email subject line; please include contact information for the person you are nominating so we can reach out to them.

Permanent Chancellor

Details on the permanent Chancellor search will be shared in fall 2025.

Thank you,

A handwritten signature in blue ink that reads "Pat Pitney".
