I am thankful for all of you and the hard work you contribute every day to our university, our students, and our state.

Whatever your role here at UA, you are a part of a team that provides the valuable benefits of higher education to Alaska. I see the benefits of what you do every single day as I travel the state meeting with students, alumni, policy makers, donors, faculty, and staff.

I hope you have the opportunity to take some time away from work to celebrate Thanksgiving with family and friends and to recharge your batteries for the challenges and opportunities ahead in the coming year.

Happy Thanksgiving!

Jim
