
Title IX March 2018 Highlights

- The Office for Civil Rights is anticipated to release new proposed Title IX guidance this month.
- UAA's hiring process for a new UAA Title IX Coordinator is nearing completion.
- This May Title IX Coordinators will participate in the ***Trauma Informed Investigations & Victim Interviewing*** training in Fairbanks provided through the Department of Public Safety, Division of Alaska State Troopers. The Title IX team will also participate in additional in-person training/meetings that week.
- Currently we are assessing the feasibility of designing, developing and maintaining an online student Title IX training. The university's Everfi contract for Haven products and AlcoholEdu ends June 2018.
- Campuses are providing significant prevention programming this spring. The UA Title IX Prevention Team will be joining the March meeting of the Statewide Title IX Taskforce.
