Instructions for use of the Short Form Contract for Guest Speakers, Performers, and Miscellaneous Services

The Short Form Contract is a tool that can be used for small dollar, low risk services, where limited additional review is required. The form has been updated to capture all of the information needed to execute a contract for these services. The Short Form Contract is appropriate for use for the following types of services:

1. Services less than \$10,000
2. Services with no personal interaction with students or minors
3. Services with no apparent risk of injury or property damage
4. Services with a limited period of performance

For use of the Short Form Contract, it is essential that a complete Statement of Work be included. This Statement of Work should also be listed on the purchase requisition accompanying the Short Form Contract. A complete Statement of Work must include, at a minimum:

1. Description of Services: Name of the event (if appropriate), list of tasks to be performed, all deliverables or milestones
2. Period of Performance: When the services are to start and end
3. Payment: How and when the contractor is to be paid ex. lump sum, daily or hourly (lump sum preferred)

Independent Contractor Determinations: An [Independent Contractor Determination Form](#) is not required for the following:

1. Guest speakers and performers.
2. Contractors who are incorporated,
3. Services less than \$600
4. Approved form on file within the last 3 years for similar services.

For all other services an [Independent Contractor Determination Form](#) must be submitted as part of the requisition backup.

For services that do not meet the requirements for use of a Short Form Contract, the Statement of Work and other requisition backup should be provided to Procurement and a Contracting Officer will issue a Professional or Non-Personal Services Contract as needed.
