University of Alaska Anchorage 

RE: Elimination of the Coastal, Ocean, and Port Engineering Graduate Certificate

Attached is the Program Action Request (PAR) form seeking Board of Regents Action to eliminate the Coastal, Ocean, and Port Engineering Graduate Certificate. Also attached is the UAA letter to the Northwest Commission on Colleges and Universities (NWCCU) dated May 17, 2016 informing the NWCCU of the suspension of admissions to the program.

Admissions to the Graduate Certificate were suspended with planned deletion in 2016 due to lack of interest. Consistent with UAA's suspension guidelines, a teach out has been completed and no students remain in the program. There are no resources or faculty tied to the program. There are no other impacts on programs or stakeholders.

*Net FTE (full-time equivalents). For example, if a faculty member will be reassigned from another program, but his/her original program will hire a replacement, there is one net new faculty member. Use fractions if appropriate. Graduate TAs are normally 0.5 FTE. The numbers should be consistent with the revenue/expenditure information provided.

Dr. Sandra Elman, President
Northwest Commission on Colleges and Universities
8060 165th Avenue NE, Suite 100
Redmond, Washington 98052

Dear Dr. Elman,

This letter is to notify the Commission of the suspension of admissions into four Civil Engineering programs. Admission to the programs was suspended with intent to delete after accommodating existing students. The list below indicates the credits required to complete each program.

- Graduate Certificate in Coastal, Ocean, and Port Engineering – 15 credits
- Graduate Certificate in Earthquake Engineering – 15 credits
- Master of Civil Engineering – 30 credits
- Master of Science in Arctic Engineering – 30 credits

The Master of Science in Civil Engineering will continue to be offered.

The attached summary provides information about the considerations that went into this decision to suspend admissions into these programs. Consistent with UAA's suspension guidelines, the college has submitted a plan to accommodate the programs' current majors and a plan to communicate with students and other stakeholders. Institutional services and resources will continue to be available to students as they complete these programs.

Suspension of admissions into a program is approved by the appropriate Dean, the Provost and Executive Vice Chancellor for Academic Affairs, and the Chancellor. This notification will be submitted to the UA System Vice President for Academic Affairs and Research, so he can notify the Board of Regents.

We ask that the Commission update its record of UAA's programs to reflect this change. If you have questions, please do not hesitate to contact us.

Sincerely,

A handwritten signature in blue ink that reads "Tom Case".

Thomas R. Case
Chancellor
