RE: Discontinuation of the Mechanical & Electrical Technology Undergraduate Certificate

Attached is the Program Action Request (PAR) form seeking Board of Regents action to discontinue the Undergraduate Certificate in Mechanical & Electrical Technology. Also attached is the University of Alaska Anchorage (UAA) letter to the Northwest Commission on Colleges and Universities (NWCCU) dated November 15, 2016 informing the NWCCU of the suspension of admissions to the program.

As a result of Program Prioritization and a follow-up Program Review, admissions to the certificate were suspended in November 2016 to evaluate industry needs. Following further review in 2017, it was decided to discontinue the certificate following teach out. The related Architectural and Engineering Technology AAS was retained for curriculum revision, and reactivated in February 2019.

Consistent with UAA's suspension guidelines, a teach out of all students in the program has been completed and no students remain in the program. There are no resources or faculty tied to the programs. There are no other impacts on programs or stakeholders.

²Net FTE (full-time equivalents). For example, if a faculty member will be reassigned from another program, but his/her original program will hire a replacement, there is one net new faculty member. Use fractions if appropriate. Graduate TAs are normally 0.5 FTE. The numbers should be consistent with the revenue/expenditure information provided.

Dr. Sandra Elman, President
Northwest Commission on Colleges and Universities
8060 165th Avenue NE, Suite 100
Redmond, Washington 98052

Dear Dr. Elman,

This letter is to notify the Commission of the suspension of admissions to the Architectural Engineering and Technology associate degree and related certificates. Admissions to the programs were suspended following a Program Review. The following programs are included in this suspension:

- Architectural and Engineering Technology AAS (60 credits)
- Architectural Technology Undergraduate Certificate (30 credits)
- Civil Technology Undergraduate Certificate (31 credits)
- Mechanical & Electrical Technology Undergraduate Certificate (31 credits)
- Structural Technology Undergraduate Certificate (31 credits)

The attached summary provides information about the considerations that went into the decision to suspend admissions into these programs. Consistent with UAA's suspension guidelines, the Community and Technical College has submitted a plan to accommodate the programs' current majors and a plan to communicate with students and other stakeholders. Institutional services and resources will continue to be available to students as they complete these programs.

Suspension of admissions into a program is approved by the appropriate Dean/Director, the Provost and Executive Vice Chancellor for Academic Affairs, and the Chancellor. This notification will be submitted to the UA System Vice President for Academic Affairs and Research, so he can notify the Board of Regents.

We ask that the Commission update its record of UAA's programs to reflect this change. If you have questions, please do not hesitate to contact us.

Sincerely,

A handwritten signature in blue ink that reads 'Tom Case' followed by a stylized set of initials in parentheses, likely '(R.C.)'.

Thomas R. Case
Chancellor
