

13 May, 2009

State of Alaska / Declaration of Emergency-----No Yes
DHS & EM State Emergency Coordination Center -----No Yes
DHSS Emergency Operations Center -----No Yes

UA System status: The UA system continues to operate Pandemic Preparedness Cell (PPC) as part of ongoing activities.

Ongoing activities:

- Consolidating pandemic plans from all campuses for review
Continue public information focused on:
Zero cases of swine flu in Alaska to date.
Awareness and preventive measures—proper respiratory etiquette and hand washing.
Recommendation to suspend all non essential travel to affected areas (Mexico) due to CDC Health Travel Advisory to avoid all non essential travel to the country.
Need for proactive measures to protect and provide for our students, faculty, staff and visitors during the upcoming commencement period.
PPC is located in room 106C Butrovich. Phone #907-450-8159 after hours contact 907-750-1602 (Rick Forkel-UA Emergency Manger)
Provide timely updates.

UA/EM Risk Services website: http://www.alaska.edu/risksafety/alerts/swine-flu/index.xml

Future activities:

- Continue to monitor current situation and modify plans in order to meet current pandemic situation.
Start the review of campus pandemic plans.
Propose pandemic preparedness seminars for our campuses.
ICS 402 for Executives
Continuity of Operations/Business Resumption Planning
Pan Flu Discussion Based Table Top Exercise (Community Agencies involved)

United States

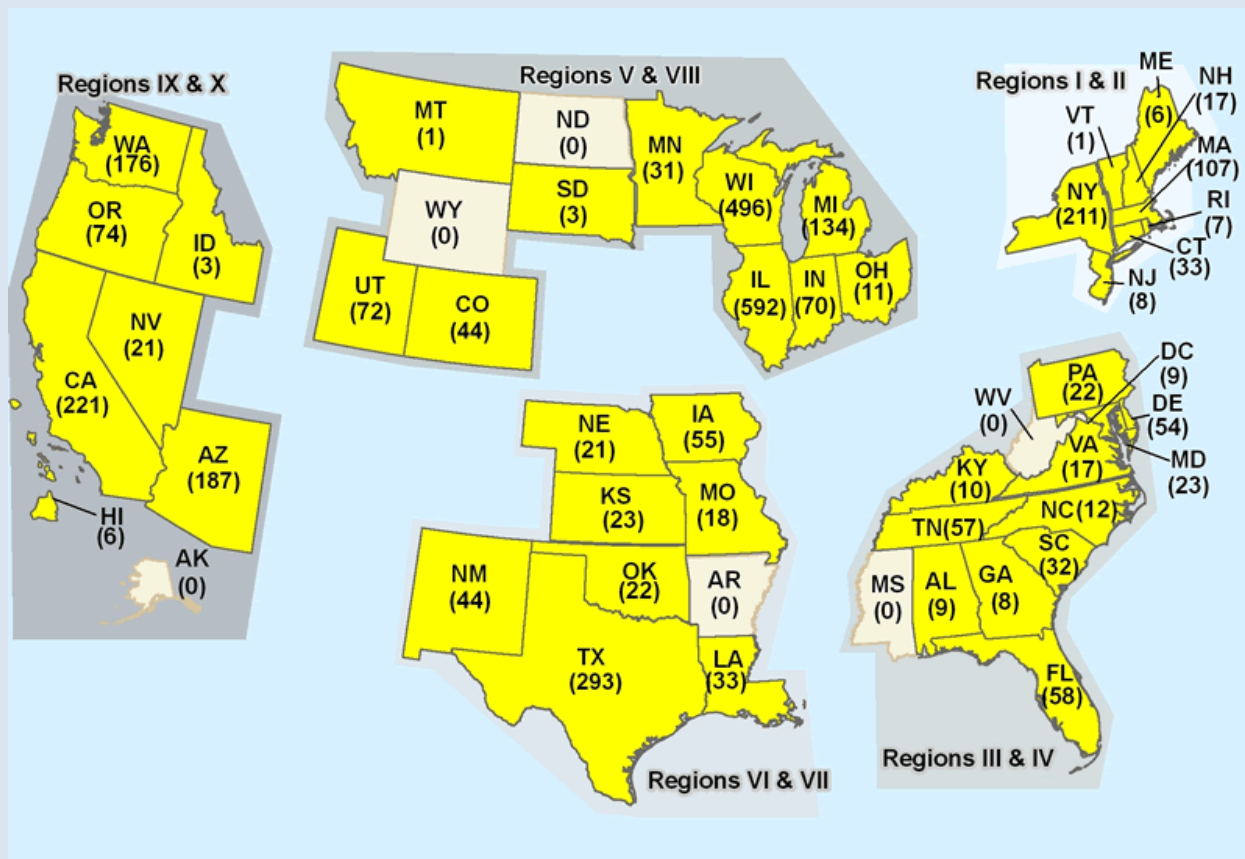

- 3352 confirmed cases; increase of 343 from yesterday and three confirmed deaths-45 states affected

CDC H1N1 website: http://www.cdc.gov/h1n1flu/

Alaska

- No documented cases within the state of Alaska.
Alaska has internal capability to test for H1N1 and will not need to send samples to CDC for confirmation. Working to increase capability for testing of subtypes of Influenza A.
Alaska DHSS/DHS & EM operate as a Unified Command for both Operations River Watch/H1N1 outbreak.
Recommendation remains for individuals to avoid non-essential travel to Mexico.
