Announcing the class of 2020 UA Scholars

Recognizing students in the top 10% of every Alaska high school
Dear Scholar,

Congratulations – you did it! You worked hard throughout high school and it paid off. You are the UA Scholars class of 2020. You are Alaska’s future.

The University of Alaska is proud to recognize your achievements with a $12,000 Award which may be used at any of our 16 campuses throughout the state.

Here in Alaska, you will find an abundance of academic and co-curricular opportunities which will serve as a catalyst to take you anywhere you want to go and to become anyone you want to be.

Alaska’s future depends on talented people like you. Join the thousands of Alaska’s best and brightest who have already accepted the UA Scholars Award, attended the university and are now shaping Alaska’s future.

Sincerely,

The University of Alaska

The UA Scholars Program offers a $12,000 merit scholarship to the top 10 percent of graduates from every qualified high school in Alaska. The Award encourages students throughout Alaska to attend and graduate from the University of Alaska.

The scholarships and this publication are funded by the University of Alaska Land Grant Trust Fund. The endowment receives revenue from property sales and resource development conducted on Trust lands.
