John --

Received an error message when trying to submit a "What-if" on Irgp. Attempting to insert a null into a not null field.

All majors are showing including pre-majors, non-degree, etc. when looking at the list of available majors.

Not everything lining up on General Requirements Web report. -- Is there a way that we can adjust the size of the Required boxes under Credits and Courses in the

Next meeting: Wednesday, July 23, 2003 1:30 (Audio)
