

CAPP Work Team Meeting Minutes

When: May 12, 2005 9:00 am
Where: Audio-conference
Phone: 1-866-393-8073
Conference id - *2373049*
Moderator code *9429*

Attendees:

Colleen Abrams (UAF)
Diane Meador (UAS)
John Mun (UAA)
Julie Staveland* (UAS)
Patrick Tilsworth (SW)

*Julie Staveland will start participating from Juneau. She is part of the academic history work team.

Changes to agenda:

John Mun will do minutes for this meeting.
UAA and UAS will alternate doing minutes thereafter.
SMRBCMP task request.
Review list of known defects.

Agenda:

UA CAPP work team:
Current Members:
UAA: John Mun
UAF: Colleen Abrams, Gayle Gregory,
UAS: Barbara Hegel, Diane Meador
SW: Terry Hartman
Add New Members:
UAS: Julie Staveland
SW: Patrick Tilsworth

Minors:

No work done except UAS who has a list together.

Concentration:

Colleen will do task request

Add verbage advising to UAOnline text:

UAF still needs to discuss.

Old evaluations:

Set time limit for how long old evaluations will be kept

Create a routine job

Set limit?

Purge and replace with batch compliance

Purge what-if analysis

Colleen will run report of UAOnline usage to determine when evaluations are run most?: before registration?

Task request: SMRBCMP

Three versions (options) created by John Mun: 1) add new parameters to end of existing SMRBCMP parameters, 2) insert into existing SMRBCMP parameters, and 3) create new SMR2BCMP job.

Option 2 is out.

Preference is for option 3

New batch compliance will be SMR2BCMP

John Mun will revise task request based upon agreed upon review of existing SMRBCMP parameters.

Process term: split into two parameters: 1) anticipated graduation term and catalog term.

Send (U.S.) Mail

Program string: required and single, add note that major or minor is required.

Major

Concentration: required if major is used.

Minors

John Mun will revise task request and resend to capp-l the week of May 16.

Remove related information area on task request

Known CAPP Defects and Patches:

Already applied as part of fix to batch compliance problem, contact 3457719

Residency question: UAS Early Childhood program is collaborative and requires courses
From UAF. How to code?

Suggestions: Use additional level

Create separate CAPP area for residency, using additional level.

CAPP face to face

Request Siachi Oba for CAPP face to face to overlap Banner 7 upgrade face to face August 8 12, 2005.

Next UA CAPP Work Team Meeting: Thursday June 2 2005 at 9:00 a.m.
