

DegreeWorks Work Team Minutes

Date: May 12, 2008

Attendees: Barbara Hegel, Colleen Abrams, Mary Gower, Patty Itchoak, Peter Sommers

Have all correspondence with DegreeWorks sent through the list so we can see the questions that are being asked.

Subject descriptions – UAS sent all subjects and descriptions that could show on a transcript, UAF sent subjects active in the current catalog, UAA – Patty needs to check with John as to what was sent.

Problem with academic years – cannot use dashes – so Barb used 2008 as the academic year.

Patty sent the sample audit for UAA to the list

Barbara will be talking with their scriber tomorrow.

Colleen will be talking with DegreeWorks management later this morning about the overall philosophy.

Question about whether any of the sscribers will be at next week's face-to-face in Fairbanks.
