From Janet – Out of town today

Do we want to continue to meet for 30 minutes prior to meeting with SungardHE? We must be off by 10 for the Admissions team – do we move entire meeting to start at 8:30?

We decided to meet at 8:30 am ADT with the entire group (SungardHE and MAUs) If we have issues we can stay on after we have completed business with SungardHE rep.

**Issues:**

**Transfer credits are not working properly – what is the timeline for correcting this ?**

**Concern about subject codes –**

- **Mark alerted the project manager**
- **Not in progress on the log**
- **Bert and Doug will be notified**

**Colleen will be visiting with DegreeWorks folks on Friday.**

**UAA is missing transfer data – this issue has been replicated; everything is funny in the environment; refresh from LRGP; transfer credits showing after the refresh and then the courses POOF! Disappear. (Colleen will look at this on Friday)**

**Patty and Mark will work on the grade tables off line after the meeting.**

**Time lines**

**UAA – Mon 10-12, Tue 1-3, Thrs 10-12 (6 hrs/team)**

**UAS – Tues, Wed, Thrs 9-12 (Peter & Barbara)**

**UAF – Tues 10-1, Wed 9-12, Thrs 9-12 (2.5hrs/day)**
