

DegreeWorks Work Team Minutes 1/12/09

Attendees: John Allred, Lora Volden, Craig Mead, Barbara Hegel, Peter Sommers,
Tim Stickel, Colleen Abrams, Emily Thielke, Michelle Thomas

Status Reports:

UAA – Stand still until Patch is loaded, extract corrected, upgrade implemented.

UAS – Stand still until patch is loaded, clean up of localizations, still pulling information.

UAF – Testing and updating blocks. Localization changes to need to be loaded. Have nightly load errors down to bare minimum.

SR filed for missing grade messages on Transit report.

Extract problem needs to be fixed NOW. Colleen will check with Janet on the status of this.

Students who should be on DW are not appearing when typing in the id but will if using Find button. Either patch or DW 4.0 should fix this.
