

## DegreeWorks Work Team Meeting Minutes

Date: April 20, 2009

Attendees: Barbara, Peter, Colleen, John, Craig, Lora, Patty, Emily, Tim, Michelle, Rachael, Mary G

UAA: 4406 errors are space issues. Space problems are being monitored. David is looking into what is going on. UAA will share communications with David with the rest of us on this issue. Moving to 4.0 quickly once problems are resolved. Also, single signon is important.

UAS: Hoping to finish catalogs starting in a couple of weeks.

UAF: 05-06 catalog in final testing before moving scribe blocks to Prod. No report otherwise.

Next meeting: May 4, 2009 at 8:30
