Attendees: Colleen Abrams, Jane Vohden, Michelle Thomas, Faith Fleagle, Barbara Hegel, Peter Sommers, Craig Mead, Lindsey Heiserman

Date for implementing DW 4.0.3 in Prod –

- . All must go to prod at the same time
- . Rules for extracting students have changed for Prep
- . Status=4 error on student audits requires a reparse of all the blocks using transit and then rerun the audits through transit or rerun them individually.
- . UAS will send their list of problems to the list
- . UAA – single signon the big issue
 - . Jane will check with David as to where this is
- . Target the week of 12th for UAA, week of 19th for UAS and UAF. David will be gone the week of the 12th so we will request the week of the 19th.
