

DegreeWorks work team meeting November 3, 2011

Attendees: Barbara Hegel, Cathy Ewing, Melanie Donhauser, Kevin Enright, Peter Sommers, Colleen Abrams, Lillian Misel

Via audio-conference

Note from David DeWolfe:

The end of November (or beginning of December) should work for this upgrade. Let's plan on some time the week of the 28th. I'll propose a specific date and times as we get closer.

Challenges:

None for UAF

Peter has gotten his Pass grades for the Graduate level to work by putting an entry in table STU385.

UAA is having difficulty activating the Athletics audits – does every degree, major, minor block need to have the credit rule.
