    f. Tech Prep or Dual Enrolled Students – Comm plans? Thoughts? Email from Mary on 4/2: Since these students are essentially sampling UA courses via the dual enrollment program, it seems like they are top candidates for a robust "wooing" by your campus to help ultimately turn them into degree seeking students. How large of an undertaking would it be to put together a communication plan addressed at this population?

4. Jane Update: Task request link is http://bweb4lrgp.alaska.edu/banlrgp/owa/bwsk2rqs.P_DisplayRequests.

5. Other items/updates

    a. Test Plan for Banner Upgrades – With Banner 8 upgrade coming in October 2009, this will become more critical.

    Went through rough draft of test plan. Crystal will send out document and everyone will review, make notes and return to Crystal by 5/8. Crystal will compile and get document back out to everyone before next recruit audio on 05/12.
