**Agenda Items:**

Waitlisting- All MAUs will test before next Reg Team. If there was an outage, turn off purge process during outage. Send some notes out as well.

Task Request (Libby)- this is follow up on discussion from Face to Face. Want to be able to order items in work folder. Approved by all MAUs.

Any report for Pre-requisite checking? Lora will send out.

Lora Volden says:

Charese- do you happen to know off the top of your head the report (I'm sure there is one) that departments can run to verify that a student has met prerequisites?

Charese Gearhart-Dekreon says:

There are three, depending on which students they want to include: SFR2PRC selects the students enrolled in one specific CRN, SFR2PRS selects the students enrolled in a particular subject and/or course number (all sections), and SFR2PRE can be used instead of those if the user runs the pop-sel process first to select a group of students who can't be found by the other reports' parameters.

Mandatory Payment Agreement in LRGP. Jane will send some more information.

Next Meeting is May 3 @ 2 p.m.
