

Reg Team Audio  
August 23, 2012- 2 p.m.

Attendees

Lora, Maryjean, Sandy, Mae, Barbara, Patty, Susan, Mary. Libby, Fran,

Call in Information: 1-800-893-8850

Pin 6384637

Presenter- 6384360

**Agenda Items:**

SFR2ENR Task Request (Patty)

UAA runs this stat report daily, would like to have it break out the credits a bit more (specifically greater than 12) to address the push "Stay on Track"- this would allow us to see how many credits students are truly enrolled in.

UAS, UAA & UAF approved.

Waitlisting Review/Time frame?

UAF- cross list problems. UAA will send what we think is the solution.

UAF- corequisite works for them, not working well for Matsu. UAA will not utilize co-requisite.

September 2<sup>nd</sup>- stop automatic process, get details about when that will be.

Could purge waitlists if you want to.

UAF still have grumbling faculty but getting better.

UAF, UAS, UAA- discussion about moving to 48 hours. Will discuss again closer to.

From Mary Gower:

Pam also had a Banner question; during a faculty meeting, they had a question about UAonline and the student course registration page. Faculty wanted to know if the 3 MAU's listed at the bottom of the registration page (under a long list of campuses) could be floated to the top instead? I told her that would be a Banner request and that I would share the details with you so you could follow-up directly with Pam.

Did it this way initially, but changed due to large amount of students would pick "all campuses" and not realize they were signing up all over the state.

Could we show all options at once, so no scrolling? Looked at previously- but reason why this wasn't an option.

No brilliant solutions, Libby will talk with her and get more information.

Could put UAF-all Campuses further up the list, but this would seem maybe out of order. Maybe move everyone's "all campus" to bottom of list of each school.- Libby will follow up with Pam and get back with us.

New hold type for UAF (VA)- Table.

No meeting September 6<sup>th</sup>. Next meeting September 20<sup>th</sup>.
