

**Reg Team Meeting**  
**Call in Information: 1-800-893-8850**  
**PIN 6384637**

**February 19, 2015**

**Attended:** Alyona, Lindsey, Mae, Russell, Libby, Tim, Barbara, Melody, Lora.

1. UAS: Duplicate charges that occur in Banner  
When reassessing fees must be in the course field of SFAREGS not in Enrollment Information block, otherwise charges are duplicated.  
UAA thought it's been fixed years ago.  
Could have been just a work around then, not a fix. Problem surfaced again with the new staff on board.  
Melody will look into it and update the group.

I also looked at all TRs under Registration and thought it'd be good to have inventory and updates:

2. TR 292 – Waitlist Process (Top 15)  
Not assigned yet. No progress.
3. TR 185 - Registration Access for Non-Degree Seeking Students (Top 15)  
Russell has been assigned.  
Brainstorming stages. Will send ideas to the team.
4. TR 97 – Add link for holds (Top 15) – User Testing  
On hold for now due to discussions with Finance.
5. TR 179 – Correct Prerequisite Message not displayed to faculty (In progress)  
Melody: Joe will have update later today.  
Russell mentioned there may be a better way to do it (SFR2PRS or SFR2PRQ). Russell will forward information to group. Possibly changing TR.
6. TR 249 - SFR2ACT/SFR2RST Modifications - Include ALL reg status codes (Financial Aid?)  
UAS is testing.  
Russell needs in writing from UAA FA if they want a similar fix in their clone report done. He can make the change without a separate TR.
7. TR 234 - SGR2EXP can be closed as Mayra is working on building the expiration process  
Can be removed.
8. TR 287 – Fix from College Schedule for truncated feeds  
Internal to EAS. New version has the fix. Testing is coming.
9. TR 295 – Mass drop of enrolled courses not meeting prereq (Medium – Pre-Approval)  
Not ready. Patty looking into it. Has not been approved yet

Thank you.

**Next meeting is on Thursday March 5, 2014 at 2pm.**
